REMARKS

Applicants believe the pending claims define patentable subject matter and respectfully request consideration and an early allowance thereof. New claims 50-56 have been added to this application with means plus function or step plus function terminology to invoke the provisions of 35 U.S.C. §112(6) and to negate any inference that the aforesaid provisions are being invoked with respect to the pending claims 17-50 which do not have means plus function or step plus function terminology.

Respectfully submitted,

Edward J. Lynch
